Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Centertown Wastewater Collection System in the Water Resources Development Act of 2022.

The project sponsor for this project is the Village of Centertown at 1227 Broadway Street, Centertown, Missouri 65023 in Missouri's 3<sup>rd</sup> Congressional District.

The funding would be used to build out infrastructure for a central wastewater collection and treatment system in the Village of Centertown, Missouri.

The project is an appropriate use of taxpayer dollars and is anticipated to correct problems that have arisen from an aging and undersized septic system that is currently in place.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blaine Luetkemeyer  
Member of Congress
