The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Jefferson City Memorial Airport (JEF) Air Traffic Control Tower Reconstruction project in fiscal year 2024.

The entity to receive funding for this project is the City of Jefferson located at 500 Airport Road, Jefferson City, Missouri 65101.

The funding would be used to enhance the safety of operations at the airport and reconstruct the Air Traffic Control Tower so that the tower can meet current Federal Aviation Administration standards. This project is an appropriate use of taxpayer dollars because it will increase safety benefits for controllers at the facility and to the air traffic that operates at the Jefferson City Memorial Airport.

This project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blaine Luetkemeyer
Member of Congress
