Dear Chair DeLauro and Ranking Member Granger,

I am requesting \$1 million for the Compass Health, Inc. Eldon Facility Expansion Project in fiscal year 2023.

The entity to receive funding for this project is Compass Health, Inc. at 11 Mexico Court, St. Peters, Missouri 63376.

The funding would be used to construct a new clinic that will serve as the Certified Community Behavioral Health Clinic for Miller County.

This project is an appropriate use of taxpayer dollars because it will allow Compass Health, Inc. to expand access to clinical services and community-based support for clinically effective, accessible, and affordable mental health and substance use treatment disorders.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blaine Luetkemeyer
Member of Congress
