The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting \$6.174 million for the Washington Regional Airport Runway Extension and Expansion in fiscal year 2023.

The entity to receive funding for this project is the City of Washington, MO at 405 Jefferson Street, Washington, MO 63090.

The funding would be used to extend the current runway to 500 feet and widen by 25 feet to accommodate the demand of ADG C-II aircrafts.

This project is an appropriate use of taxpayer dollars because the runway extension and widening will upgrade the facility to C-II standards which is designed to accommodate faster moving jet powered aircrafts.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blaine Luetkemeyer
Member of Congress
