The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jefferson City Memorial Airport (JEF) Snow Removal Equipment Building project in fiscal year 2025.

The entity to receive funding for this project is the City of Jefferson located at 320 E. McCarty Street, Jefferson City, MO 65101.

The funding would allow the JEF airport to construct a new snow removal equipment building, taxi lane and associated infrastructure. The facility will house snow removal equipment and other safety equipment at the airport such as aircraft rescue fire-fighting equipment. Existing safety equipment is currently located in structures at the airport that are old, in need of repair and lack sufficient space. This is an appropriate use of taxpayer dollars because it will enhance safety at the airport and enhance the ability to respond to Aircraft Rescue and Fire Fighting (ARFF) incidents.

This project has a Federal nexus because the funding provided is for the purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blaine Luetkemeyer
Member of Congress
