The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Gasconade County Sheriff's Office Equipment Upgrade project in fiscal year 2024.

The entity to receive funding for this project is the Gasconade County Sheriff's Office located at 1951 S Hwy 19 Hermann, MO.

The funding would be used to purchase updated equipment at the Swiss Substation. This project is an appropriate use of taxpayer dollars because it will allow the Sheriff's office to update their outdated equipment in their office that will provide a more efficient workplace environment to better serve the residents of Gasconade County. As the principal law enforcement agency in the county, assistance with funding for equipment upgrades will allow the Sheriff's office to have more local resources available to develop and construct a new safer facility to operate, maintain records and store evidence.

This project has a federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blaine Luetkemeyer
Member of Congress
