The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Washington County 911 System Updates project in fiscal year 2025.

The entity to receive funding for this project is the Washington County Central Dispatch 9-1-1, located at 12252 N State Highway 21, Cadet, Missouri 63630.

The funding would be used to replace the out-of-date and unreliable radio system and Computer-Aided Dispatch (CAD) system at the dispatch center that serves the citizens of Washington County, Missouri. This project is an appropriate use of taxpayer funds because it will allow the dispatch center to improve overall emergency response efficiency and reliability.

This project has a Federal nexus because the funding provided is for the purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blaine Luetkemeyer
Member of Congress
